Get Committed

This is not the typical 9 – 5 “merry-go-round” job. It’s a roller coaster ride!

The regimen is quite similar to television reality shows like “Survivor,” “Apprentice” and “the Amazing Race.” This career opportunity demands brain-power and it gets physical.

The applicant should be tenacious but practice the highest ethical standards. Ooze integrity. The applicant must be well organized, concerned about image, thrive as a leader, and take the initiative to achieve objectives without direct supervision; and perform equally well in a competitive team environment.

Be warned in advance that this career opportunity could be a colossal waste of time if the applicant does not have his or her fundamentals secured. Positive attributes are highly desirable. This is not a job filled with “corporation games.” It is a glorious adventure!

Is this a job entitlement program? NO! This is a rewarding career opportunity based on your hard work and performance.

Do not submit a cover letter and resume until [Career Opportunities](#) has been completed.

We are a drug-free and gossip-free zone. Pre-employment testing required. Please, no phone calls and no agencies. Only applicants apply. Relocation is not provided.
