Every member in our growing organization has an intense desire to change the world. We are possessed with a passion to save the planet from Martian invasion. Apply today.

We want a hot-to-trot Junior Executive Assistant (MHC/JXA) to grow with us. Bring developed skills gained from “trench warfare” and “survival techniques” into chaotic personal and professional environments. These skills are highly valued to support an entrepreneurial lifestyle.

We carefully do our best to enhance peak performance for each member of our team. If you are a participant on a team or “running solo” to complete a huge project or tiny task, take charge. For example, if you leave the cave, kill something and drag it back to the cave, show us how it’s done.

Failure is not an Option. The only easy day was yesterday. Hoo YAH!

Get Committed

This is not the typical 9 – 5 “merry-go-round” job. It’s a roller coaster ride!

The regimen is quite similar to television reality shows like “Survivor,” “Apprentice” and “the Amazing Race.” This career opportunity demands brain-power and it gets physical.

The applicant should be tenacious but practice the highest ethical standards. Ooze integrity. The applicant must be well organized, concerned about image, thrive as a leader, and take the initiative to achieve objectives without direct supervision; and perform equally well in a competitive team environment.

Be warned in advance that this career opportunity could be a colossal waste of time if the applicant does not have his or her fundamentals secured. Positive attributes are highly desirable. This is not a job filled with “corporation games.” It is a glorious adventure!

Is this a job entitlement program? NO! This is a rewarding career opportunity based on your hard work and performance.

Do not submit a cover letter and resume until [Career Opportunities](#) has been completed.

We are a drug-free and gossip-free zone. Pre-employment testing required. Please, no phone calls and no agencies. Only applicants apply. Relocation is not provided.
